ABOUT US

The Malaysia Data Innovation Talent x DOSM Datathon (MDIT x DD) 2025 is a premier national datathon competition for undergraduate and diploma students from both public and private universities across Malaysia.

Organised by the Statistics Club (inStats), Universiti Teknologi MARA (UiTM) Shah Alam in collaboration with the Department of Statistics Malaysia (DOSM), this annual competition empowers future data-driven innovators to develop impactful solutions aligned with the Sustainable Development Goals (SDGs).

Now in its 4th edition, MDIT x DD has established itself as a nationwide platform for fostering creativity, collaboration, and data leadership. With 93 teams participating, the competition continues to support Malaysia's digital transformation agenda by cultivating young talents who will shape the future of data innovation.

TIMELINE

10 AUGUST – 5 SEPTEMBER 2025

Participation Registration Period

6 SEPTEMBER 2025

The Opening Ceremony &
Competition Briefing

7 SEPTEMBER 2025

Microsoft Power BI & Strategy
One Workshops

8 - 21 SEPTEMBER 2025

Project Development &
Submission Period

3 OCTOBER 2025

Top 10 Announcement

17 OCTOBER 2025

Top 10 Live Pitching at Dewan
Umno Cameron Highlands,
Sungai Koyan, Pahang

18 OCTOBER 2025

Closing Ceremony at Dewan
Umno Cameron Highlands,
Sungai Koyan, Pahang

PARTICIPANTS WORKFLOW

8 - 21 SEPTEMBER 2025

- Participants must submit three final deliverables: a project report, a dashboard, and a video presentation.
- Participants must use open-source datasets that align with their project, competition theme, and relevant SDGs, as no datasets will be provided directly.
- All deliverables must be submitted online through the designated Google Drive folder, and each team must also complete the Google Form to confirm that the required files have been successfully uploaded.

22 SEPTEMBER - 3 OCTOBER 2025

Evaluation Phase:

- Judges will assess all submissions using the official Preliminary Round Scoring Rubric.
- Top 10 teams are shortlisted for live pitching on 17th October 2025.
- Finalists will be notified with pitching details.

17 OCTOBER 2025

Top 10 Live Pitching at Dewan UMNO Cameron Highlands, Pahang:

- Finalists will present to the judges for 5 minutes, followed by a 10-minute Q&A session with the judges .
- Pitch will be broadcasted online through DOSM's official platform.
- Final scores will be based on the quality and innovation of the project, as well as the effectiveness of the team's pitching performance.

COMPETITION OVERVIEW

THEME

Transforming Society Through Data, Machine Learning, and Artificial Intelligence.

CHALLENGE

Leveraging Machine Learning and Artificial Intelligence to Develop Innovative Solutions for Decent Standard of Living in Malaysia.

PARTICIPANTS STRUCTURE

- Each team must consist of **FOUR (4)** Malaysian students and **ONE (1)** academic advisor from the same Public Higher Education Institution (IPTA) or Private Higher Education Institution (IPTS).
- All participants must be active diploma or undergraduate students enrolled in Malaysian universities at the time of the MDIT x DOSM Datathon 2025 competition.
- Participants will gain access to all events organized under MDIT x DOSM Datathon 2025 upon completion of the registration and payment process.
- The Top 10 teams that qualify for the Final Round must maintain the same registered members as in the Preliminary Round. No changes in team composition are allowed.

COMPETITION STAGES

Participants will first compete in the Preliminary Round. From there, 10 teams will be selected to advance to the Final Round. The details of each round are outlined below:

PRELIMINARY ROUND (ONLINE)

1. The required submissions for the Preliminary Round are a project report, a dashboard, and a video presentation.
2. Participants must complete their projects using any hardware and software of their choice.
3. All final products must strictly follow the submission guidelines (refer to the sections from Submission Rules until Video Presentation).
4. All submissions will be evaluated by professional judges from the Department of Statistics Malaysia (DOSM).
5. The submission period is from 8th to 21st September 2025.
6. Submissions must be uploaded to Google Drive according to the instructions stated in Submission Rules No. 3.
7. Late or incomplete submissions will result in automatic disqualification.
8. The top 10 finalist teams will be selected for the Final Round based on a rank-based evaluation system. All judges' decisions are final.
9. The scoring rubric for the Preliminary Round can be accessed at the following link: <https://bit.ly/PreliminaryScoringRubric>

COMPETITION STAGES

FINAL ROUND (PHYSICAL)

1. The Top 10 finalist teams with the highest scores from the preliminary round will advance to the Final Round.
2. Participants who qualify for the Final Round will be contacted via email by the organisers. The email will include important updates, announcements, and the link to join the official WhatsApp group.
3. The final round will be conducted physically at Dewan Umno Cameron Highlands, Sungai Koyan, Pahang.
4. Each team must present a project submitted during the Preliminary Round. For the Final Round, finalists are only required to submit their Dashboard and Presentation Slides for the live pitching session.
5. The final presentation session will be 20 minutes per team, divided as follows:
 - 5 minutes: Presentation
 - 10 minutes: Q&A with the judges
 - 5 minutes: Scoring and transition between teams
6. Further details regarding the technical aspects of the Final Round will be announced later.
7. The scoring rubric for the live pitching session can be accessed through <https://bit.ly/LivePitchingRubric>

RULES AND REGULATIONS

1. Eligibility

Participation is open to Diploma and Undergraduate students from Public (IPTA) and Private (IPTS) Higher Education Institutions in Malaysia. All participants must be Malaysian citizens.

2. Team Composition

Each team must consist of FOUR (4) students from the same university and ONE (1) academic advisor.

3. Team Member Changes

No team changes are allowed after the registration deadline unless approved by the organising committee under exceptional circumstances.

4. Supervisor Role

The academic advisor is expected to provide guidance and advisory support only, and not to be directly involved in the product development.

5. Registration & Fees

Registration must be completed through the official MDIT x DD 2025 website. Each team is required to pay a non-refundable RM150 entry fee.

6. Official Receipt and Claim Procedures

The official receipt will be issued throughout the competition. Teams may use it to claim the registration fee from their universities, subject to their internal procedures. Participants must manage their own claims with their universities, as the organisers will not provide assistance or take any responsibility.

7. Mandatory WhatsApp Group Participation

Upon confirmation of registration, participants must join the official WhatsApp community 'PARTICIPANTS MDIT x DD 2025' using the provided link. All official announcements and updates will be made through this community.

8. Mandatory Attendance

All participants are required to be present and actively involved in every session organised throughout the competition.

RULES AND REGULATIONS

9. Development Timeline

All projects must be completed within the competition's specified timeframe. Late submissions will not be accepted or evaluated.

10. Data Sources

Participants must use open and publicly accessible datasets. The use of fabricated, simulated, or fictional data is strictly prohibited. All data must be authentic, reliable, and sourced from credible platforms. Recommended data sources include (but are not limited to):

- OpenDOSM (Department of Statistics Malaysia)
- eStatistik
- data.gov.my (Malaysian Government Open Data Portal)
- World Bank Open Data
- Monthly Highlights and Statistics Dataset (Bank Negara Malaysia)
- UN Data

Extra mark(s) will be awarded for using Malaysian official data (e.g. OpenDOSM, eStatistik, StatsDW), subject to judging criteria.

11. Tools & Equipment

Participants may use any hardware and software of their choice, but must provide and use their own ICT equipment throughout the competition.

12. Originality and Use of Third-Party Materials

All submitted work must be the original work of the team. Teams may use third-party libraries, frameworks, pre-trained models, and openly licensed datasets as long as they clearly cite and list each external resource in the Project Report and reproducibility package, and also document how those resources were used and integrated. Submissions that copy, plagiarise, or otherwise use proprietary intellectual property without licence or attribution will be disqualified.

MALAYSIA DATA
INNOVATION TALENT
2025

RULES AND REGULATIONS

13. Required Submissions

Each team must submit:

- a) A dashboard in PDF format, accompanied by the source file (e.g., .pbix, .xlsm, etc.)
- b) A recorded presentation video
- c) A project report using the template provided by the organisers

14. Final Submission

Once submitted, no changes or resubmissions are allowed. The final version will be evaluated as is.

15. Dashboard Accessibility

The final product must be delivered in dashboard form and must remain accessible until the evaluation process is complete.

16. Ethical Data Use

Participants must not use personally identifiable or confidential data without proper authorisation. Any misuse of sensitive information will result in disqualification.

17. Intellectual Property Rights

Participants retain full ownership of their projects. However, the organisers reserve non-exclusive rights to showcase, publish, or exhibit the project for promotional or educational use, with proper credit to the team.

18. Personal Data Protection

All personal data shared with the organisers will be securely stored and used only according to competition rules, unless explicit consent is given for other purposes.

19. Prohibition of Harmful Software

Submissions must be free from harmful elements such as viruses, trojans, spyware, or any code that could damage or disrupt systems.

MALAYSIA DATA
INNOVATION TALENT
2025

RULES AND REGULATIONS

20. Inappropriate Content Prohibited

Submissions containing offensive, violent, defamatory, or insulting content especially against the organisers or any unauthorised copyrighted material will be disqualified.

21. Violation of Rules

The organisers reserve the right to disqualify or cancel any team's entry if rules or submission requirements are violated.

22. Liability Disclaimer

The organisers will not be held responsible for any incidents, health issues, damages, or losses incurred during participation.

23. Final Decision by Judges

All decisions by the judging panel, including the selection of winners, are final and cannot be appealed.

24. E-Certificate Eligibility

E-certificates of participation will be issued only to participants who submit their final products within the deadline. Certificates will be emailed after the competition ends.

SUBMISSION RULES

1. Each team must develop and submit three mandatory documents: a written report, a dashboard, and a video presentation using the dataset provided by the Department of Statistics Malaysia, accessible via the website <https://open.dosm.gov> or other trustworthy websites. However, participants are also permitted and have the flexibility to use data from any other reliable source of their choosing. The raw data used must originate exclusively from within Malaysia. Data acquired from other countries may only be employed to support a statement.
2. All files submitted at this stage will be evaluated by professional judges before being shortlisted as the Top 10 finalists.
3. Each team will receive an email with access to a specific Google Drive folder for uploading all the mandatory documents via their registered email starting from 8th September 2025 until 21st September 2025, with the final deadline at 5:00 PM on 21st September 2025. If any team members are unable to access the Google Drive folder by the stated date, please contact the management bureau at managementmdit2025@gmail.com
4. Participants must adhere to all submission rules to avoid the deduction of points.
5. Please ensure that the Google Form (<http://bit.ly/MDIT2025-Submission-Form>) is completed no later than 11:59 PM on 21st September 2025 to confirm that all required documents have been uploaded to the designated Google Drive folder.

WRITTEN REPORT FORMAT

- Font: Times New Roman, size 12
- Spacing: 1.5
- Type of alignment: Justify
- Contents of the report:
 1. Front Page (participants must use the provided template and edit it with the required information)
 2. Table of Contents
 3. Introduction (background of the study, problem statement, objectives)
 4. Literature Review
 5. Methodology (method of data analysis)
 6. Findings (result, including information architecture/solution approach, visually appealing aids)
 7. Output (dashboard)
 8. Conclusion
 9. References
- Maximum number of pages: 25, excluding the front page, table of contents, and references.
- Please use the provided front page responsibly and avoid misuse.
- The written report must be saved and submitted in PDF format.
- The template for the written report can be accessed through the link attached below :
<https://bit.ly/ReportSubmissionTemplate>
- File naming convention: TeamName_Datathon2025_Report.pdf.

MALAYSIA DATA
INNOVATION TALENT
2025

DASHBOARD

1. Dashboard Content

- 1.1 The dashboard must include all relevant and comprehensive information, such as charts, graphs, maps, and key insights to support the analysis and storytelling.
- 1.2 Data visualisation should be clear, accurate, and easy to interpret, providing meaningful insights for decision-making.

2. Screenshot Usage

- 2.1 Screenshots, if included in the report, must be high-resolution and accurately reflect the actual dashboard.
- 2.2 Screenshots cannot replace the actual dashboard file; they are for presentation purposes only.

3. Workable Dashboard Requirement (Mandatory)

- 3.1 Participants are required to submit a fully functional (workable) dashboard that allows the judges to open, explore, and interact with it during evaluation.
- 3.2 The dashboard must be free from technical errors, with all filters, links, and interactive features fully operational.
- 3.3 Accepted file formats include, but are not limited to:
 - i. Power BI: .pbix
 - ii. Excel Interactive Dashboard: .xlsm/.xlsx (with formulas, macros, and interactivity intact)
 - iii. Tableau: .twb / .twbx
 - iv. Other interactive formats approved by the organisers.

MALAYSIA DATA
INNOVATION TALENT
2025

DASHBOARD

4. Submission Package Structure

Participants must submit both a static and interactive version of the dashboard, along with supporting files.

4.1 Static Version:

A PDF file showing the final dashboard layout for documentation purposes.

4.2 Interactive Version:

- i. The original workable dashboard file (e.g., .pbix, .twbx, .xlsm), which can be opened and tested by the judges.
- ii. Any clean/raw data files used in the analysis, if permitted.
- iii. A README.txt file with instructions for running and navigating the dashboard.

4.3 Final submission must be compressed into a single ZIP/RAR file following this structure: TeamName_Datathon2025_Dashboard.zip

- i. Dashboard.pdf
- ii. Dashboard.pbix/Dashboard.xlsx/Dashboard.twbx
- iii. Data.csv/Data.xlsx (if applicable)
- iv. README.txt

5. README File Guidelines

The README.txt file must include:

- 5.1 Software name and version used (e.g., Power BI Desktop version, Strategy One Web version, Tableau Desktop version).
- 5.2 Step-by-step instructions to open and navigate the dashboard.
- 5.3 Any additional requirements such as plugins or add-ons (if needed).
- 5.4 Notes on limitations, assumptions, or special considerations for the dashboard.

6. Final Notes

- 6.1 Ensure that the submitted dashboard works as intended without external dependencies that cannot be accessed by the judges.
- 6.2 All files must be well-organised and named clearly to avoid confusion.
- 6.3 Incomplete or non-functional submissions may be disqualified or penalised during judging.

VIDEO PRESENTATION

1. Video Duration

- 1.1 The presentation video must not exceed 10 minutes in length.

2. File Size

- 2.1 The video file size must not exceed 2 gigabytes (2 GB).
- 2.2 Participants are encouraged to optimise video quality and compression to maintain clarity while keeping the file size manageable.

3. Content Requirements

- 3.1 The video must include the following elements in a clear and logical flow:
 - i. Introduction of the team and project title (within 1 minute)
 - ii. Problem statement and objectives
 - iii. Data sources and methodology
 - iv. Key findings and insights
 - v. Live demonstration of the interactive dashboard showing how it works and key features
 - vi. Conclusion and potential impact or scalability.
- 3.2 It should be concise and focused on the problem statement, methodology, key findings, and demonstration of the dashboard.
- 3.3 The dashboard shown in the video must be fully functional, with all interactive features demonstrated.
- 3.4 All visuals, text, and audio must be clear, professional, and easy to follow.
- 3.5 Avoid excessive background noise or poor audio quality.

4. File Format and Submission

- 4.1 The final video must be saved and submitted in MP4 format.
- 4.2 File naming convention: TeamName_Datathon2025_Video.mp4.

LIVE PITCHING GUIDELINES

1. Presentation Format

Ensure the presentation is prepared using suitable software (e.g. PowerPoint, Google Slides, Canva).

2. Device Readiness

Each team is responsible for bringing their own device for the session. Make sure the device is fully charged, HDMI-compatible, and the presentation is ready for smooth display.

3. Preparation Time

Each team will be given 5 minutes to prepare before their turn. A member of the secretariat will escort the team outside the hall for final preparations and discussion.

4. Presenter

A maximum of two (2) presenters are allowed to present or pitch on behalf of the team.

5. Pitch Duration

Each team is allocated a maximum of 5 minutes to deliver their pitch.

6. Pitch Timing

- A bell will ring once to signal the start of the pitch.
- After 3 minutes, the bell will ring again, indicating the presenter has 2 minutes remaining.
- The final bell will ring twice, marking the end of the 5-minute pitch.

7. Q&A Session

Following the pitch, there will be a 10-minute Q&A session, during which the judges will ask questions.

MALAYSIA DATA
INNOVATION TALENT
2025

LIVE PITCHING GUIDELINES

8. Q&A Timing

- A bell will ring once after 7 minutes, indicating 3 minutes remaining before the end of the Q&A session.
- The second bell will ring once, marking the end of the 10-minute Q&A session.

9. Transition between Teams

After the Q&A session, 5 minutes will be given for the next team to prepare, while the judges score the previous team.

10. Total Session Time

Each team is allocated a maximum of 20 minutes for the pitch presentation, Q&A session, and scoring or transition duration.

11. Special Awards

The calculation for the special awards will be based on 70% from the judges, and 30% of the audience, excluding the top 10 finalists and teams' advisors.

12. Tiebreaker

In the event of a tie, the tiebreaker will be based on the team's special award evaluation and the judges' further deliberation.

13. Final decision

The final decision will be confirmed by the chief judge in the presence of two secretariat members as witnesses.
